November 2009

The rains are here, and as you can see from this month's report, the number of October active listings and pending and closed sales has fallen as it always does this time of year. As might be expected, the first time homebuyer tax credit didn't have much effect on waterfront sales.

I'll make a pitch for my fantastic waterfront listing at 7256 NE William Rogers Rd, Indianola. This is a very aggressive price for a home of this quality and amenities. Call me if you're interested in seeing it, because it won't last long even in this market. We can sell your waterfront too, so please call if you need my help!

Happy Fall!
Brenda Prowse
